Learn to Cope with Challenging Behavior

Are you as prepared as you could be for dealing with people with severe developmental disabilities and emotional disturbances? Here is a valuable compendium of the current knowledge base, plus empirically tested treatments. Intended for practitioners and service providers not extensively trained in behavior psychology or pharmacotherapy, it provides a solid foundation of basic knowledge.

Challenging Behavior of Persons with Mental Health Disorders and Severe Developmental Disabilities
Edited by Norman A. Wieseler, PhD and Ronald H. Hanson, PhD
1999; 278 pp; paperback; ISBN 0-940898-66-7

#7221—\$33.95 Members \$39.95 Nonmembers

Gain a New Perspective on Positive Interventions

The facts are in: positive behavioral procedures have repeatedly produced real, well-documented change in the behavior and lives of people with disabilities. In this enlightening monograph, you'll find objective meta-analyses of hundreds of studies, and come to see that the results you seek may be well within your reach.

Positive Behavior Support for People with Developmental Disabilities—A Research Synthesis
by Edward G. Carr, PhD; Robert H. Horner, PhD; Ann Turnbull, EdD; Janet G. Marquis, PhD; Darlene Magito McLaughlin, MA; Michele L. McAtee, MA; Christopher E. Smith, PhD; Kaarin Anderson Ryan, MA; Michael B. Ruef, PhD; Ajit Doolabh, MA
1999; 108 pp; paperback; ISBN 0-940898-60-8

#7352—\$26.95 Members \$31.95 Nonmembers

Study the Development of Adaptive Behavior

In this groundbreaking work, fourteen of the nation's experts in adaptive behavior examine its concept and measurement, and its expanding importance in defining mental retardation. Examine the role of culture in assessing adaptive behavior, and see how changing concepts of adaptive behavior and intelligence may merge in future definitions of mental retardation.

Adaptive Behavior and Its Measurement—Implications for the Field of Mental Retardation
Edited by Robert L. Schalock, PhD; 1999; 227 pp.; paperback, ISBN 0-940898-64-0

#7219—\$33.95 Members \$39.95 Nonmembers

Book Discounts Good to September 30, 1999

Mental Retardation: Definition, Classification and Systems of Supports (9th Edition)
AAMR defines mental retardation for the courts, the schools, Federal and state governments and programs around the world. This latest definition emphasizes abilities, environments, supports and empowerment over an IQ-derived level of disability. Essential reading for practitioners.
