There's no disputing that DIRECTV is the top name in satellite television. With more channels than any other satellite provider. Plus exclusive options like NFL Sunday Ticket. NBA League Pass. NHL Center Ice. Encore. And special Family Packs.

The best reason for picking DIRECTV in *this* community, though, is more down to earth. Here, your DIRECTV provider is a name you know and trust. A team that's been keeping the community connected for many years. And one will always be close by when you call.

Call or stop in to learn more about DIRECTV. We'll take the time to walk you through the subscription plans and help you find your best value. And once you've subscribed, we'll be here to answer questions. Fill you in on new technologies. And keep you well-connected, through the years. *Just like always.*
