"When the Internet hit our house at high-speed, we all felt the impact!"

Where we live, we thought high-speed Internet service was out of reach. With no cable. No DSL. We thought our 56K dial-up service was the best Internet connection we'd ever have.

Then DIRECWAY™ blew away our old service...*like you wouldn't believe!*

Our new DIRECWAY™ two-way high-speed satellite system beams the Internet into our home at 14 times the speed of the average 28.8K connection. Which means even the bulkiest web pages come up fast. And we get more done on the Internet. Have more fun. Download massive files in minutes. And shop anywhere we want, quick and easy!

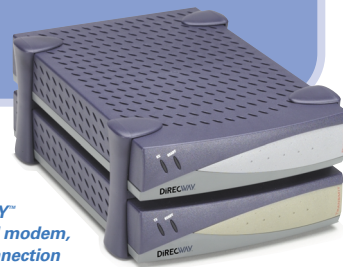

You should see what DIRECWAY™ will bring to your home!

Streaming audio and video. Real-time sports events. More ways to learn. Better ways to stay in touch. You get it all with DIRECWAY™.

So experience the Internet you've been missing! Stop into your local DIRECWAY™ high-speed satellite dealer today.
